

A vibrant, stylized illustration of a tropical jungle scene. In the upper left, a white bird with blue wings and tail is perched on a branch. In the lower left, a blue and white patterned bird is visible. The background is filled with lush green foliage, including large leaves and clusters of small orange berries. On the right side, there are large, delicate pink and orange flowers. The entire scene is set against a dark, almost black background, which makes the colors of the birds and plants stand out.
